

HSM Pure 630 - 4.5 x 30 mm

Solid and reliable document shredder with a large waste bin for small workgroups. The powerful motor with overload protection shreds documents, loyalty cards and credit cards in continuous operation safely and reliably.

Technical data

Order number:	2363111	EAN:	4026631054065
Cutting type:	particle cut	Cutting size:	4,5 x 30 mm
Security level (DIN 66399 / ISO/IEC 21964):	E-3|F-1|O-3|P-4|T-4	Cutting capacity in sheets 80g/m²:	20 - 22
Noise level (idle operation):	ca. 55 dB(A)	Intake width:	310 mm
Container volume / collecting:	130 l	Collection volume in sheets:	1590
Power consumption:	700 W	Voltage / Frequency:	220-240 V / 50 Hz
Width x Depth x Height:	538 x 487 x 889 mm	Machine weight:	47.6 kg

Product Information:

The full bin is indicated via the display and the machine switches off automatically.

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

The operation is very easy: the device starts automatically when fed with paper and automatically stops after shredding is complete.

The powerful motor ensures a high cutting capacity and reliable continuous operation.

The stand-by feature ensures a high degree of energy saving when the shredder is not in use.

The document shredder has a sturdy cabinet with a wooden floor and an extra-large door opening angle which facilitates removing and replacing the collecting bag.

For convenience, there are castors on the document shredder so it is easy to move around.

User safety is paramount. A slight pressure on the safety element immediately stops the paper feed and prevents unintentional entry into the machine.

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.
