

HSM SECURIO B24 - 4.5 x 30 mm

For increased data security in a modern design. This quiet document shredder with an anti-paper jam function and powerful drive components is designed for continuous operation. We recommend it for use in the workplace.

Technical data

Order number:	1783111	EAN:	4026631025041
Cutting type:	particle cut	Cutting size:	4,5 x 30 mm
Security level (DIN 66399 / ISO/IEC 21964):	E-3|F-1|O-3|P-4|T-4	Cutting capacity in sheets 80g/m²:	14 - 16
Noise level (idle operation):	ca. 54 dB(A)	Intake width:	240 mm
Container volume / collecting:	35 l	Collection volume in sheets:	415
Power consumption:	610 W	Voltage / Frequency:	220-240 V / 50 Hz
Width x Depth x Height:	395 x 317 x 605 mm	Machine weight:	18.61 kg

Product Information:

The full bin is indicated via the display and the machine switches off automatically.

The paper feed with overload protection reduces paper jams and sustains the high throughput of paper.

The powerful motor ensures high cutting performance and reliable continuous operation.

An integrated light barrier automatically starts the device when paper is introduced into the feed and it automatically stops after shredding is complete.

In stand-by mode, intelligent control programme EcoSmart ensures there is an exceptionally low power consumption of 0.1 watts.

The document shredder has been awarded the Blue Angel certificate for its durable construction, low energy consumption and the use of environmentally friendly materials.

The quiet operating mode minimises noise development in the workplace which is an important consideration for your staff.

For convenience, there are castors on the document shredder so it is easy to move around.

The safety element prevents unintentional entry of materials into the machine and thereby increases the user safety.

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.

The induction-hardened, solid steel cutting rollers with a lifetime warranty can easily cope with staples and paper clips and guarantee durability.

A separate collecting bag means that the shredder material can easily be sorted and separated for correct recycling.

The high quality materials and proven HSM "Made in Germany" quality guarantee you are receiving a safe and durable machine.

The filling level of the waste container can be seen at all times through the inspection window.
