

HSM StoreEx OMDD 130 - 2.2 x 4 mm

This digital data media shredder is specifically designed for shredding CDs/DVDs and credit cards with the highest security requirements.

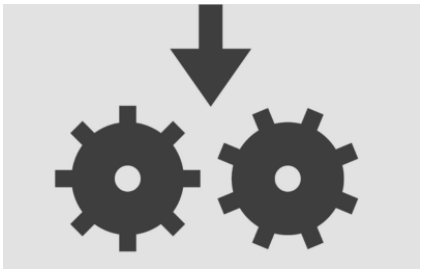

Technical data

Order number:	1767111	EAN:	4026631078948
Cutting type:	particle cut	Cutting size:	2,2 x 4 mm
Security level (DIN 66399 / ISO/IEC 21964):	E-5|O-5|T-6	Cutting capacity CD/DVD (items/h):	2000
Noise level (idle operation):	ca. 60 dB(A)	Voltage / Frequency:	220-230 V / 50 Hz
Container volume / collecting:	51 l	Width x Depth x Height:	620 x 487 x 1021 mm
Machine weight:	91.1 kg		

Product Information:

An integrated light barrier automatically starts the device when paper is introduced into the feed and automatically stops it after shredding is complete.

This powerful machine provides an excellent cutting performance combined with reliable continuous operation and a low noise level

The stand-by feature ensures a high degree of energy saving when the digital data media shredder is not in use.

The waste container can be easily removed and emptied.

The automatic reverse function rectifies material jams and ensures smooth shredding operations.

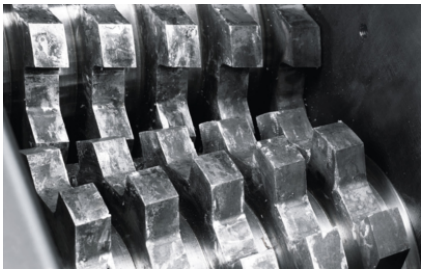

For convenience, there are castors on the digital data media shredder so it is easy to move around.

User safety is paramount. A slight pressure on the safety element immediately stops the material feed and prevents unintentional entry into the machine.

The safety element with a CD input opening prevents unintentional entry of material into the machine and also serves as a splinter shield when shredding CDs etc.

The induction-hardened, solid steel cutting rollers are robust and ensure a high level of durability!
